

# My Gatekeeper Overview for 2008

-

## My Projects (laser focus)

Short term financial goal \$400 cash

demos <http://sfbay.craigslist.org/sfc/fbh/546133541.html>

I have handled my finances - I have \$5,000 in the bank

### Next steps

- 1) Decide who you would like on your support team.
- 2) Create an excel spreadsheet for your financial inflow and outflow, and a step by step guide to keeping it up to date.
- 3) create a snapshot of where you are financially now.
- 4) track daily flows in and out somehow.

Travel the world, learning from indigenous elders about thier relations with spirit, about inviting the sacred through songs passed down over generations. Learn these songs and bring music that lights me up into the world through gatherings that honor the sacred.

## Time sensitive goals

I have a summer camp position

I have a solar installer position

I have a coaching in organiza-tions position

I work closely with craig shindler

complete application for the summer school job  
go get an interview with the restaraunt position
